SUMMARY OF EXPERIENCE

I am an experienced Mental Health Instructor delivering training for MHFA for adult and youth (MHFA England) for the past 7 years. I am passionate about improving the wellbeing of adults and young people by delivering quality training to raise awareness of mental health in the work place.

I have 26 years of working in the education sector in a range of roles including senior leadership, headship and schoolteacher. I am a specialist in mental health, behaviour and safeguarding and have provided expertise nationally as part of a multi academy trust.
